

Skoda Citigo 1.0 MPI Colour Edition 3dr | Sep 2016

****SORRY NOW SOLD****

We already know that the Skoda Citigo is a great city car. It's fun but easy and comfortable to drive, nice to sit in and spacious given its dinky proportions. Now meet the Colour Edition, which is intended to offer more equipment and style for your money. This car comes in probably the best colour white which is perfectly contrasted by its smoked 15" Alloy wheels and rear privacy glass. You also get a portable sat-nav system and an upgrade from two to four speakers, all of which would amount to around £1400 of extra equipment on an SE car. This particular car is a local 1 owner car in fantastic condition throughout and benefits from a full Skoda main dealer service history being last serviced by them at 35,037 miles.
