***SORRY NOW SOLD ***

£16,995

The Ford Fiesta ST is a truly fabulous hot hatch, not just by the standards of similarly priced rivals from Renault and Peugeot, but also by the standards of much more expensive machinery. The performance and handling ability make it a sensationally engaging car to drive, while the comfortable ride and generous creature comforts make it easy to live with day to day. Don't buy your next hot hatch without trying this car first because, pound-for-pound, it's one of the best hot hatches money can buy.

This particular example has been a 1 local owner car from new and is in completely faultless condition both inside and out. It was supplied by Trust Ford and its original owner bought a service plan from them so the car benefits from a full Ford service history, its last 3rd year service having been carried out just 5 miles ago - so this car really is good to go !!!!
