This car has all the great hallmarks of the BMW 3 Series saloon but with the benefit of added space and practicality. The 3 Series Touring might not be the carry-all solution some of its estate cars offer, but it's still the class leader and a compelling buy. Add in agility, poise, balance and then couple that with BMW's super slick automatic gearbox, it clearly remains the driver's choice in this market.

This particular car we have on offer is really something quite special in terms of its specification, history and condition. It was supplied new to its owner by Bavarian in Belfast and although they are the first name on the V5 it has had only 1 lady Doctor owner/driver from new.

It has been fully maintained by Bavarian from new and has just had 4 new Goodyear Eagle F1 tyres fitted at considerable cost to its beautifully refurbished diamond cut 19" alloy wheels. Both the interior and exterior are in simply stunning condition and upon inspection it will become obvious that this car has been cherished by its previous owner.
